

TELFAIR MATCH PLAY - RULES 2023

Special rules of the event

These rules complete the general rules of the MGF.

The conditions of this particular regulation take precedence over the general regulations.

CONDITIONS OF PARTICIPATION

Competition open to male and female players:

- members of the Tamarin Golf Club (having filled out their online form)
- who have paid their 2023 Tamarin Golf Club membership
- up to date with their 2023 MGF license

GAME FORMAT

- Match Play by team of 2 players on 18 holes in 4 balls - best ball in net.
- Strokes received: **3/4 handicap back marker**: 3/4 of the difference of the players' handicaps, the player with the lowest handicap having no stroke received.
- The index taken into account is the one of the day of the match.
- The match can be played on any golf course, as long as both teams agree. In case of disagreement, the default golf course is Heritage Bel Ombre.
- Each match must be played before the deadline indicated by the organizers. If the match has not been played by the deadline, both teams will be disqualified, unless one of the two teams is present on the day of the deadline at Heritage Bel Ombre at 8:00 am, in which case they will not be disqualified. **No exceptions will be accepted.**
We rely on the courtesy and fair play of the participants to find a suitable date that suits all players.
- It is possible for a team to be represented by only one of its players. In this case, the points awarded remain the same, whether the back marker is present or not.
- Tee-off : at the choice of the teams, knowing that with the WHS (World Handicap System), it will be necessary to calculate the strokes given at the beginning of the game, according to the chosen course.
- The winning team of a hole scores 1 point, in case of a tie, no point.
- If the match has to be stopped because of bad weather, it must be restarted at the same point as when it was stopped (e.g.: 3up at the start of the 7).
- **Play-off** : If a match ends in a tie at the end of the 18 holes, it must go on a play-off, hole by hole, starting with hole 1, until one team wins a hole. During this extension of the round, the strokes received are allocated as on the first 18 holes.
